SHORT TITLE: Water Projects Eligibility Lists

LONG TITLE: Concerning approval of water project revolving fund eligibility lists administered by the Colorado water resources and power development authority.

SPONSORS: Sen. Donovan/Rep. Roberts

COMMITTEES: Senate Agriculture & Natural Resources Committee

PURPOSE OF THE BILL: To approve the annual water project list for projects eligible for from the revolving loan fund.

PROponents OF THE BILL: Water and Power Development Authority

STAKEHOLDERS: Water providers, operators of water infrastructure who have applied for loans from the fund.

BACKGROUND: Revolving loans under two separate programs, one for drinking water supply and one for wastewater treatment under the Water Pollution Control Revolving Fund and the Drinking Water Revolving Fund. Each year the list of eligible projects must be updated, modified, added to, or deleted and presented to the legislature for approval.

Is the bill necessary this year? Yes, in order to be funded.

How does this change current law? It does not.

How is the bill implemented? The changes to the list must be approved and sent to the Governor by a specified date in order to receive funding.

Does the bill affect prior appropriation? No.

Practical considerations: Even if projects are approved, their funding is limited by the money available.

Fiscal impact: No fiscal note available.
